Since its founding in 1972, The Tallahassee Ballet (TTB) has provided training, discipline, direction and leadership for some of our community’s most talented young people.

The Tallahassee Ballet is the premier semiprofessional dance company in Tallahassee, and continues to dazzle local residents with outstanding renditions of some of the world’s most renowned ballets highlighted by exquisite music, original costumes and innovative choreography.

Proceeds from this event not only raise the supplemental funds needed to present quality ballet productions annually, but also help to support our many community outreach programs including DanceChance. Through this program, TTB provides tuition-free instruction and dancewear to economically disadvantaged children. Nine public elementary schools and one middle school participate in the DanceChance program.

Without the tremendous community support that we receive annually, it would be difficult to maintain our high standards for productions, training and community outreach programs. Thank you for your support and we hope to see you on the links!
